PawCare: Find Your Furry Friend

Revolutionizing pet adoption with Flutter and Firebase. Connect with shelters, pets, and loving homes through our innovative app. Join us in making a difference!

Concept & Mission: A New Approach to Adoption

Addressing the challenges in traditional adoption processes. Our mission is to provide a seamless, transparent, and user-friendly platform.

Seamless Experience

Easy navigation and clear information.

Increased Adoptions

Reducing shelter overcrowding.

Transparent Platform

Verified shelter information.

Tech Stack: Flutter & Firebase Power

Flutter for cross-platform development. Firebase for backend services.

Flutter Benefits

- Single codebase
- Faster development
- Beautiful UI

Firebase Features

- Authentication
- Real-time database
- Cloud functions
